**A GLOBAL REACH**  
 UNICEF is on the ground  
 in more than 190  
 countries and territories  
 to help children survive  
 and thrive.

**UNICEF Market is a**  
 collaboration with **NOVICA**,  
 a leading fair trade impact  
 marketplace for artisans around  
 the world. Your purchases help  
 UNICEF empower and protect  
 children while supporting  
 artisans as well as their families  
 and communities.

Dear Friend,

Need a better reason to shop than helping children around the world? How about celebrating moms at the same time?

UNICEF Market is not only full of beautiful handmade gift options for Mother's Day, but a portion of every sale goes to support UNICEF's work keeping children healthy, educated and safe in more than 190 countries.

Which means you're shopping to help deliver safe water to communities for the first time. To build schools – or provide the basic supplies students need to attend. To vaccinate infants against entirely preventable diseases that still claim precious lives in many regions worldwide.

If you'd like to donate a gift of aid directly to UNICEF and the children it serves, a new option within the catalog lets you choose one or more to send – while also activating a generous three-time match, which means **your gift will now send 3X the lifesaving support to children in need worldwide!**

And as always, every piece of jewelry or homeware for sale is sourced from artisans who live in many of the countries where UNICEF operates. Through UNICEF Market, these talented craftspeople from Asia, Latin America and Africa receive a fair price for their work and build businesses that strengthen their communities and support their families.

Thank you in advancing for helping UNICEF support children – too many of whom are bearing the brunt of ongoing wars and poverty right now. With your generosity, UNICEF won't stop working to provide the support they need to not only survive, but to thrive.
